Activity Details: The management has a policy not to consume electricity during the odd hours and energy saving plan has been designed. The usage of air conditioners is limited. The Enviro club of the college conducts regular Awareness programme where students are oriented/trained to conserve energy. Every department has student volunteers to check the usage of lights and fans in the class rooms. On Energy conservation day the College creates awareness to all the stakeholders to switch off the lights and fans which serves as a reminder to adopt sustainable practices and secure future energy needs. During assembly every week throughout the year the students are educated on the importance of energy conservation for effective utilization of electric energy. The various activities of the departments are conducted in venues according to the number of participants with the objective of saving time and energy.
